Director Holste presented a brief overview of the properties that encompass the Altis Plat. Mr. Holste mentioned the CRA and Town received two great proposals for consideration. Originally, the CRA and Town owned two non-contagious properties; the former Chamber of Commerce parcel owned by the Town and the vacant parcels south of the Sports Barn owned by the CRA. As the lots were small, it was difficult to find interested parties for small infill businesses such as restaurants. This was due to the fact that parking, access, and land cost were a challenge. Additionally, issues impeding development opportunities were the fact that the adjacent business, the Sports Barn, was a known location for constant police activity and rising crime. When a shooting occurred at the Sports Barn, an opportunity presented itself for the CRA to acquire the property. The next opportunity came when JDC Holdings explored with the CRA a relocation interest which allowed the CRA to acquire their two properties. Subsequently, when the proposed Altman project did not proceed, the Town purchased the Davie Professional Building property. This completed assemblage and paved the way for greater marketing and investment opportunities.

Director Holste gave a brief recap of the Altis Plat and subsequent surplus process:

- 286 residential units and 1,750 square feet of commercial
- Approved October 2022 – Town of Davie
- Approved August 2023 – Broward County
- January 2023 – Altman Developer's Agreement terminated
- May 18, 2023 – Paragon Letter of Intent (LOI) received
- May 26, 2023 – June 27, 2023 – Surplus Property Notice Period
- June 27, 2023 – White Oak LOI received
- July 20, 2023 – July 27, 2023 – Request for Information (RFI) Period
- September 6, 2023 – CRA and Town Council consideration

The Paragon Project scope includes:

- 1,450 square feet of commercial space
- 274 residential units
- 32 - efficiencies
- 148 – 1 bedroom

- 94 – 2 bedrooms

The purchase price would be $10,000,000 or $36,500 per residential unit and would include 20% workforce housing, it is anticipated to take 13 months from Site Plan approval to Closing, land incentives would be $8.79 million with a taxable value of $71,269,000.

The White Oak Project scope includes:

- 286 residential units
    - 18 - Studio apartments
    - 124 – 1 bedrooms
    - 116 – 2 bedrooms
    - 28 – 3 bedrooms

The purchase price would be $11,440,000 or $40,000 per residential unit and would include 20% workforce housing, the developer will construct SW 65th Avenue from SW 42nd Street to SW 43rd Street, it is anticipated to take 14 months from the Site Plan approval to Closing, land incentives would be $7.45 million with a taxable value of $75,360,000.

Director Holste mentioned while the CRA and Town received two great proposals for consideration, staff is recommending White Oak due to the higher purchase price that amounts to $1.44 million dollars more than Paragon's proposal and White Oak's commitment to construct SW 65th Avenue between SW 42nd Street and SW 43rd Street. Director Holste mentioned he was looking for direction and a motion to allow the CRA Chair to execute the White Oak LOI and directs CRA staff to negotiate a purchase and sale agreement and developer's agreement with White Oak. He mentioned that if negotiations with White Oak are unsuccessful, the CRA Chair is authorized to execute an LOI and directs CRA staff to negotiate with Paragon.

Board Member Starkey mentioned she wanted to encourage more commercial components along the corridor. She asked Director Holste to look into more mixed-use components to make the area more viable. Chair Paul mentioned she's seen several mixed-use projects not moving forward as quickly as anticipated and wanted to make sure the parking calculations are being looked at for the larger projects. Vice Chair Luis made a motion, to allow the CRA Chair to execute the White Oak LOI and directs CRA staff to negotiate a purchase and sale agreement and developer's agreement with White Oak. If negotiations with White Oak are unsuccessful, the CRA Chair is authorized to execute an LOI with Paragon Group of Florida, LLC. and directs CRA staff to begin negotiations with the Paragon Group of Florida, LLC. The motion was seconded by Board Member Starkey. In a voice vote, all voted in favor. (Motion carried 4-0)
