CRA Attorney Sherwin read the item by title. CRA Director Holste mentioned that prior to consideration of this item by the CRA Board, he wanted to share some key topics including graphics and maps related to the item via a power point presentation. Director Holste mentioned the proposed purchase of 1.3 acres is owned by the Revest Capital Group, LLC. and located on the west side of Davie Road just north of the proposed Frontier Square project. The proposed purchase price is $5.5 million (broken down to $5.3 million for land and $200,000 for the contents and materials. The $5.3 million dollars breaks down to about $4 million per acre.) The current use is a commercial center known as the Peninsular Building.

Mr. Holste showed an overview of the parcel (in yellow) and what the interim use would be. He stated that if the Purchase and Sale Agreement is approved, they would proceed with demolition of the property and the property would be used for additional parking while Town Hall is under construction through 2027. Mr. Holste indicated the property would provide an additional 100-150 spaces for Rodeo Grounds parking.

Director Holste discussed that if you add the 1.3 acres of the Revest Capital Group property and the parcel just to the north owned by the CRA, you will have approximately 2 +/- acres of new park/open space that currently does not exist on Davie Road. He suggested some ideas for site activation which included temporary parking for the rodeo, temporary art installations, festival space, food trucks and more. Mr. Holste mentioned approval of this item gives us an opportunity to expand our current open space footprint as the CRA and Town owns the surrounding properties.

Chair Paul opened the Public Hearing and asked if anyone would like to speak. Hearing none, Chair Paul asked for a roll call motion. Board Member Whitman made a motion to approve Item #4. Board Member Hattan seconded the motion. In a roll call vote: Chair Paul-yes; Board Member Whitman-yes; Board Member Starkey-yes; Board Member Hattan-yes; Vice-Chair Luis-yes. Motion carried by a majority vote 5-0. Chair Paul closed the Public Hearing.
