CITY COMMISSION MEETING

CONSENT AGENDA HIGHLIGHTS

The following consent agenda items were approved unanimously by the Mayor and City Commissioners:

Art and Culture Center Expansion

Through Resolution [R-2025-180](#), the Commission approved additional construction administration services with Brooks + Scarpa Architects, Inc. for the Art and Culture Center Expansion Project. This amendment increases the contract by \$20,000.00 for a total of \$348,863.00 to support continued project oversight and implementation.

Additionally, Resolution [R-2025-181](#) authorizes the execution of an easement agreement with Florida Power & Light Company to facilitate new power services for the Hollywood Art and Culture Center Expansion Project. This easement is part of ongoing utility coordination for the General Obligation Bond-funded project.

New Multi-Space Parking Pay Stations

By adopting Resolution [R-2025-182](#), the Commission approved a purchase order to T2 Systems, Inc. for the purchase and installation of 52 new multi-space parking pay stations, replacing existing pay stations in City-controlled lots along the beach. The \$616,125.00 procurement utilizes a Sourcewell piggyback contract to upgrade Citywide parking infrastructure.

As a companion item, Resolution [R-2025-183](#) authorizes a blanket purchase agreement with T2 Systems, Inc. for webhosting, extended warranty, and maintenance services for the multi-space pay stations. The four-year agreement, valued at up to \$736,200.00, ensures continued service for both new and existing meters throughout the City.

Athletic Field Maintenance Contract Award

Resolution [R-2025-185](#) authorizes a blanket purchase agreement with Brightview Landscape Services, Inc. for athletic field maintenance services. The contract, valued at up to \$500,000.00 annually, supports the upkeep and playability of athletic fields across the City's parks system.

ORDINANCES

First Reading: Parking Enforcement Technology and Citation Ordinance Update

The Mayor and City Commissioners voted to approve Ordinance [PO-2025-05](#) on first reading. If adopted on second reading, the ordinance will amend Chapter 72 of the City's Code of Ordinances to authorize the use of video and license plate reader (LPR) technology for parking enforcement purposes. The amendment also allows the issuance of parking citations via mail to registered vehicle owners, streamlining the enforcement process and aligning with best practices in other municipalities.

REGULAR AGENDA

City Renews Micro Transit Services Contract with Circuit Transit Inc.

The Mayor and City Commissioners approved Resolution [R-2025-190](#), authorizing the renewal of the City's blanket purchase agreement with Circuit Transit Inc. for micro transit services. The renewed agreement, valued at up to \$1,246,000.00 for the period of July 1, 2025, to June 30, 2026, ensures the continued delivery of on-demand transportation options that support mobility, reduce traffic congestion, and improve first- and last-mile connections within the community.

The Circuit micro transit program, also known as the "Sun Shuttle," offers free or low-cost electric vehicle rides in designated service zones, improving access to key destinations such as Downtown Hollywood, the beach, and transit hubs. The renewal highlights the City's ongoing commitment to expanding sustainable, accessible, and equitable transportation options for both residents and visitors.

Downtown Parking Rate Changes and New Resident Discount Program

The Mayor and City Commissioners approved Resolution [R-2025-191](#), authorizing significant updates to the City's downtown parking program. The action expands paid parking throughout the Downtown Hollywood area, eliminates the existing time-limited free public parking program, and introduces a resident discount rate to support accessibility for locals. The resolution also revises parking rates and permit fees to reflect current operational costs and market comparisons. These updates aim to improve turnover, promote shared use, and enhance the visitor experience. To watch the presentation and discussion that ensued, please visit [HollywoodFL.org](https://www.hollywoodfl.org).

Cured-In-Place Pipe Lining Contract Renewal to Reduce Inflow and Infiltration

With the approval of Resolution [R-2025-192](#), the Mayor and City Commissioners authorized a renewal of the City's unit price contract with Inliner Solutions, LLC. The renewed contract, valued at up to \$1.9 million, supports the continuation of cured-in-place pipe (CIPP) lining services used to reduce inflow and infiltration within the wastewater collection system. This proactive infrastructure maintenance effort helps extend the life of aging sewer systems, improve environmental outcomes, and ensure regulatory compliance.
