## Title

MOTION TO APPROVE THE ADVERTISEMENT OF RFP # AD-14-10 "RED LIGHT CAMERA ENFORCEMENT & LICENSE PLATE RECOGNITION MONITORING SYSTEM."

## Summary Explanation and Background

**SUMMARY EXPLANATION AND BACKGROUND:**

1. On June 30, 2013, the agreement between the City of Pembroke Pines and American Traffic Solutions for the enforcement of a red light traffic signal camera enforcement system expired.

2. On February 20, 2013, prior to the expiration of the City's agreement, the City Commission approved the advertisement of RFP # AD- 12-05 Red Light Traffic Signal Camera Enforcement System. The purpose of this Request for Proposals was to obtain the services of a qualified firm for the implementation, administration and servicing of a red light traffic signal camera enforcement program, including installation and maintenance of equipment, customer service, technical support, and support for citation hearings. The system was to combine vehicle detection and digital imaging technology with a complete turnkey program for supplying, installing, powering and maintaining the cameras. In addition, the administration and servicing of the Program was to include, but not

be limited to, issuance of notices; processing of payments; issuance of citations; customer service and internet/web - based applications; and preparation of evidence packets to fully comply with the requirements of Broward County traffic court hearing officers, judges and Florida law.

3. On April 29, 2013, the City advertised AD-12-05 and on June 5, 2013 the City opened four sealed proposals. The firms are listed below:

- American Traffic Solutions, Inc. - (ATS)
- Gatso USA, Inc
- GovComm, Inc
- Redflex Traffic Systems, Inc

4. In a separate agenda item, the City Manager is requesting for the City Commission approve the rejection of all bids received for RFP # AD-12-05 Red Light Traffic Signal Camera Enforcement System.

5. In lieu of utilizing the responses received from RFP # AD-12-05, the City Manager is requesting the City Commission to approve the advertisement of RFP # AD-14-10 which will include a different model for the Red Light Camera Program to include a "City Operated" System and a License Plate Recognition (LPR) Program.

6. Request the City Commission to approve the advertisement of RFP # AD-14-10 "Red Light Camera Enforcement & License Plate Recognition Monitoring System."
**Item has been reviewed by the Commission Auditor and approved for the Agenda.**

## Financial Impact
**FINANCIAL IMPACT DETAIL:**

The Red Light Camera program detailed in this solicitation is being proposed as a revenue neutral program. Once the program is approved by Commission, the appropriate revenue and expenditure accounts will be created within the budget.
