## Title

MOTION TO APPROVE THE SOLE SOURCE PURCHASE OF A VIGILANT TRAILER RETROFIT KIT AND MOBILE LICENSE PLATE READER FROM VETTED SECURITY SOLUTIONS, IN AN AMOUNT NOT TO EXCEED $33,620.

## Summary Explanation and Background

**SUMMARY EXPLANATION AND BACKGROUND:**

1. On September 16, 2015, the City Commission approved the sole source purchase of the Vigilant Intelligence-Led Policing Package with Stationary License Plate Reader (LPR) Hardware along with the purchase of two compatible mobile LPR trailers from Vetted Security Solutions for a total cost of $83,783.40.

2. Vigilant Solutions has provided a sole source letter stating that "This letter is being provided to confirm Vetted Security Solution's exclusive position as a fully authorized and Certified Vigilant Solutions Gold Partner. Vetted Solution has extensive experience installing, servicing and supporting Vigilant Solutions' fixed ALPR deployments throughout the State of Florida. Currently Vetted Solution is the ONLY Vigilant re-seller that is based in Florida. Finally, Vetted is the only current Vigilant Solutions' re-seller that

holds the required licenses from the State of Florida Department of Business and Professional Regulations."

3. Per Section 38.18(C)(3) of the City Procurement Code: “City standard, single-source and sole-source commodities or services are exempt from the Competitive Bidding Process.”

4. The purchase of the Vigilant Intelligence-Led Policing Package included the Annual Hosting and Software Maintenance and Annual Private Data Subscription that would expire on January 16, 2017.

5. After the first year of service, the City also has the option to continue purchasing the Annual Hosting and Software Maintenance along with the Annual Private Data Subscription as described below:

(A) Annual Hosting and Software Maintenance - Hosting of the data and software updates, tech support, bug fixes and user requested developmental changes. The annual cost depends on the number of cameras that the City would have, as there is a charge per camera that is dependent on the total number of cameras owned. At the time, the price would be $500 per camera, however the per unit price would be lower if the City had more cameras.

(B) Annual Private Data Subscription - Vigilant Solutions Private Data has over 4 billion license plate reads nationwide and the FaceSearch Facial Recognition program has over 3 million booking photos from the State of Florida. The annual cost is based on a tiered pricing system that is dependent on the size of the agency. At the time, the total annual cost would be $22,500.

6. As a result, in 2016, 2017, and 2018, the City Commission approved the purchase of an additional Vigilant Intelligence Led Policing Package each year along with additional LPR hardware from Vetted Security Solutions, which extended the Annual Hosting and Software Maintenance and Annual Private Data Subscription until January 16, 2020.

7. The City of Pembroke Pines Police Department would like to purchase a Trailer Retrofit Kit to upgrade existing LPR equipment previously purchased (which includes the replacement of equipment, computer, and cameras on existing trailer unit), and would also like to purchase one (1) two-camera mobile LPR kit for a total amount of $33,620:

| **Description** | **Qty** | **Unit Price** | **Total Cost** |
|---|---|---|---|
| Trailer Retrofit Kit | 1 | $21,950.00 | $21,950.00 |
| Shipping/Delivery | 1 | $ 950.00 | $ 950.00 |
| Credit for Traded in Equipment | 1 | ($ 3,500.00) | ($ 3,500.00) |
| | | **Total** | **$19,400.00** |

| **DescriptionQtyUnit PriceTotal Cost** | | | |
|---|---|---|---|
| Two-Camera Mobile LPR Kit | 1 | $11,500.00 | $11,500.00 |
| Camera License Key (CLK) Fees | 2 | $ 450.00 | $ 900.00 |
| Universal Vehicle Mounts | 2 | $ 210.00 | $ 420.00 |
| Start Up & Commissioning of Field Equipment | 1 | $ 500.00 | $ 500.00 |
| Installation Services | 1 | $ 750.00 | $ 750.00 |

| | | | |
|---|---|---|---|
| Shipping/Delivery | 1 | $ 150.00 | $ 150.00 |
| | | **Total** | **$14,220.00** |

8. Request Commission to approve the purchase of a Vigilant trailer retrofit kit and mobile license plate reader from Vetted Security Solutions, in an amount not to exceed $33,620.

## Financial Impact

**FINANCIAL IMPACT DETAIL:**

**a) Initial Cost:** $33,620 ($19,400 for the Trailer Retrofit Kit and $14,220 for the two-camera mobile LPR kit.)
**b) Amount budgeted for this item in Account No:** Trailer Retrofit Kit ($19,400.00): There is $1,355 available in account #1-521-3001-64400 (Other Equipment) for this purchase.

Two-Camera Mobile LPR Kit ($14,220.00): Purchase will be made from 2016 Justice Assistance Grant (JAG) funding that was previously allocated to the police department. The full 2016 JAG authorized budget allocation was $18,891, which will leave the police department with a remaining balance of $4,671. All 2016 JAG grant funds must be fully expended by no later than Sept 30, 2019. The police department will work with the JAG office to determine what the remaining funds can be spent on, however there will not be a revisiting of commission approval on expenditure of these remaining funds due to the 2016 JAG grant administrative deadline in addition to the remaining balance being below the City's procurement threshold of $5,000.
**c) Source of funding for difference, if not fully budgeted:** Trailer Retrofit Kit ($19,400.00): Upon approval, a budget adjustment of $18,045.00 from Account #1-521-3001-46800 (Maintenance Contracts) will be made to Account #1-521-3001-64400 (Other Equipment).
**d) 5 year projection of the operational cost of the project:** The current Annual Hosting and Software Maintenance along with the Annual Private Data Subscription is in effect until January 16, 2020. The annual hosting and software maintenance cost is $375 per camera for 31-60 cameras), therefore the cost below for future years include $750 annually for the two new cameras being purchased along with $421 annually for data service.

| | Current FY | Year 2 | Year 3 | Year 4 | Year 5 |
|---|---|---|---|---|---|
| Revenues | N/A | N/A | N/A | N/A | N/A |
| Expenditures | $33,620 | $1,171 | $1,171 | $1,171 | $1,171 |
| Net Cost | $33,620 | $1,171 | $1,171 | $1,171 | $1,171 |

**e) Detail of additional staff requirements:** Not Applicable.
