4) **GATEWAY FINANCIAL REPORT**

Planning & Zoning Director Dan Holmes presented a summary of the Financial Report, specifically pages 57-59. \$2.194 million is the fund balance for the Gateway CRA. Page 58 breaks down revenue and miscellaneous investments, we are about 88% received on revenue taxed which is normal for this time of year. Last month we were up about 82%. On page 59 identifies expenditures we are halfway through the year and most of the expenses as we work our way through the year should be about 50%. The line item named advertising we are at 115% in special district fees. We have advertisement pertains to placing ads with the Chamber and it was a little more than we anticipated. Special district fees are also up a bit, so it is at 119%. But we are on track with everything else. See attachment.

Mr. Hooley - What is the special district for?

Mr. Holmes - The Gateway is a special district and we have to pay the state for maintaining the district.

Mr. Holmes explained the functions of the online development map and the list of projects that are currently pending. See attachment.

Mr. Hooley - Inquired about a parcel with the plat.

Mr. Holmes - This particular parcel is vacated and they are going to build a small retail building there.

Mr. Hooley - Requested to remove the completed projects and only keep the active projects on the handouts. And asked Mr. Holmes if the developers can come sit in on the Gateway meetings.

Mr. Holmes - That wouldn't be a problem once that submit to the review committee.

Mr. Hooley - I wouldn't want to make it mandatory but it would be nice to meet the new business owners and we can tell them about the Gateway.

Mr. Holmes - That is a good idea and will make a note of that.

5.b) Projects Pipeline & Properties for Sale - listed/mapped
Department: Planning, Zoning & Economic Development

Glen Hall - Mr. Hooley you were also interested in the properties that are for sale.

Mr. Hooley - Yes

Mr. Hall - The latest one is 3300 N. State Rd 7 next to Coast2Coast Customs, it is on the market. There were some discussions that ULI had with HCA. All of the properties are listed on this map.

Mr. Hooley - Can you send that link out to all of the board members?

Mr. Hall - Yes, I will try to put it on the website so others can find it. The other website have the different stages of development but this website includes data for code and police. And this link focus on the district.

5.c) ULI Leadership Institute 2022 Project status

Department: Planning, Zoning & Economic Development

Mr. Hall presented information about the international group the Urban Leadership Institute. This group focus on real issues globally and have active groups across the world and the put on a cohort for people tat are leaders in the industry. I noticed that one of the issue we had in the city was Plantation General. It is the main stakeholder within the area. ULI come in as a third party for free and do an analysis of best practices for the leaders in the industry.

Mr. Hooley - Nothing is binding, it's just a brain storming session.

Mr. Hall - Yes

Barbara Simmons spoke about the meeting HCA had with the Mayor, Jason Nunemaker and staff from the business development office.

Ms. Simmons - What we stated at that time is the inaudible is open. We are working on different options and different uses for the building and will have some architects come do an assessment. We are trying to figure out what we officially what to do with the building.

Mr. Hooley - I am happy you are here today. We really have a vested interest in what is going on with that building as our customer go there everyday.

Ms. Simmons - We see about 60 patients on average a day so the community still use us as an emergency room.

Mr. Hooley - The community may not understand what happened and are not up to speed. Thank you for being here; ULI is a great discussion and you are welcome to come back.
