The Cobb County Purchasing Department issued RFP 23-6692 on August 26, 2022, to establish a national cooperative contract for Technology Product Solutions and Related Services.

The solicitation included cooperative purchasing language in **National Contract** section as stated below:

"Cobb County, GA, as the Principal Procurement Agency, defined in Attachment A, has partnered with OMNIA Partners, Public Sector ("OMNIA Partners") to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. Cobb County, GA is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency") and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of a Master Intergovernmental Cooperative Purchasing Agreement, a form of which is attached hereto on Attachment A, or as otherwise agreed to.
